Computer Lab

The computer lab is equipped with **five workstations** and a **dedicated server rack**, all available for members to use. Whether you're diving into **3D modeling**, **CAD design**, teaching or taking hands-on **classes**, or even just unwinding with some **gaming**, this shared digital workspace is built to handle it all. Perfect for collaboration, learning, and creating, the lab is open to help you bring your projects to life with the power and tools you need.
