Jewelry And Glass

The Jewelry and Glass Shop contains tools for jewelry making, fused glass and stained glass. Our shop includes 4 dedicated jewelry work stations where members can use shop tools to take a skill-building class or work on their projects. We offer classes from beginner to intermediate levels in jewelry making and glass arts, so whether you are a novice or an expert jewelrysmit, you are welcome to be a part of our creative community.

Checkout Info

Using this shop requires a Checkout performed by a Captain or dedicated member. The checked out members have access to all tools and equipment, except for the acetylene torch and kiln. To use these devices, you must demonstrate proficiency or complete a class. Members are required to purchase their own materials to use in the shop.

For those new to jewelry making, taking a class is an easy way to get checked out. Otherwise the member can be checked out by one of the shop captains.
