

Workspaces & Amenities

Not every space at Lowell Makes is a workshop. Some are used to support our community!

Maker's Basket Store

Maker's Basket is a courtesy store set up for Lowell Makes' members and guests. You can buy snacks, drinks, frozen meals and even certain materials, such as clay, from the store. All the proceeds from Maker's Basket go to help fund Lowell Makes projects.

Class Room

The classroom at Lowell Makes is an undesignated workspace available for any of our members. It is supplied with tables, chairs, computers, and even a projector! It's great for classes, workshops, board games, group get togethers and whatever our members need.

Maker's Lounge

The Lounge is the best place to get together with friends, meet with members, hang out, or get down to business in the Maker's Lounge. Take a load off on one of our comfy couches or chairs. Go for the high score on our Multiple Arcade Machine Emulator (MAME) cabinet full of every game you can imagine from the 8-bit era! Shoot a quick game a pool or watch a movie on Movie Night using our projector.
